

Through our **Everyday Hero** program, we'll celebrate the caregivers you designate with a personalized card, lapel pin, and other recognition. Your gift to recognize your **Everyday Hero** is optional, but Oakwood's needy patient and community benefit programs need your contribution to continue helping families right here in our neighborhood. Your **Everyday Hero** will be notified of your special tribute, with no mention of your gift amount.

Physician, nurse, employee or other caregiver Kenneth BUZO

Comments and compliments All of the staff were wonderful to me, but Ken went above and beyond for me. He would go out of his way to make sure I was comfortable and not in pain. He took the time to get to know me like a friend, and always remained with me until my pain was bearable. Ken is a great nurse. I'm thankful I had him
