Dear Mr. Buzo:

On behalf of the entire Nurse Executive Council and the Oakwood Foundation, we thank you for your contribution to the 2014 Community Giving Campaign. Your generous gift to the 2014 Campaign designates you as a member of the Oakwood **Nurse Giving Society** which was created to recognize and support the traditions and causes important within the nursing profession.

With your contribution you join Oakwood's commitment to **Give Tomorrows** to the patients and families who come to Oakwood for the best in care, healing and compassion. Your gift will make even greater quality of care possible through new learning and innovations. Your gift strengthens Oakwood's commitment to the greater community to keep it healthy for many tomorrows to come.

On behalf of our Oakwood Team, patients and community outreach programs which benefit from your support, thank you again for giving so generously in 2014 to the Nurse Giving Society. Together, we can do so much good.
