St. John Providence Health System:

It is with great admiration that I write this letter of recommendation for one of my favorite nurses, Kenneth Buzo. He has served by my side and with other physicians here at Oakwood Hospital Taylor for well over a year now. He is an integral part of this hospital, adored by the patients and respected by his peers. Kenneth is filled with determination and is always seeking opportunities to get more involved and learn. He is an individual that prides himself with staying busy, from joining committees to continuing education. He is goal-oriented and has a persistence to succeed as a nurse.

Kenneth demonstrates exceptional knowledge and skills in terms of work ethic, sense of duty and responsibility, physical stamina and emotional flexibility. He is not one to shy away from new technologies and changes in treatment methods, but rather embraces them enthusiastically as his greatest desire is to help heal patients both physically and emotionally. Kenneth is always flexible when it comes to working late due to an emergency case or changing shifts due to a sick co-worker. He is one of the most reliable nurses I have ever had the privilege of supervising.

He is able to strongly empathize with very sick patients and their families while remaining calm himself, thinking clearly and rationally and controlling his own emotions. Kenneth has excellent communication skills and the ability to take impeccable notes for each patient's medical record file. He thrives in a fast-paced environment and is an amazing multi-tasker. Kenneth is able to clearly and effectively explain discharge instructions to patients and their families and calmly answer all of their questions. Chronically ill patients often ask for Kenneth when they return to the hospital. He has been personally recognized by multiple patients and staff members, and has earned many awards for such praise, even one which places him amongst other celebrated individuals as an Every Day Hero.

Kenneth is a great asset to have as part of your healthcare team; therefore, it is my pleasure to recommend Kenneth Buzo for a position as a nurse at your healthcare facility. I am confident that you would be extremely pleased with Kenneth's level of dedication to his profession and most importantly to the patients. Please contact me should you have questions or wish to further discuss Kenneth's work record here. My direct line is 313-375-7333 and my email address is DOMINGD2@oakwood.org.

Respectfully,
